

Dear Anne,

I thought I would send you a couple pictures to add to the TRITON web site. They were taken a week ago. One was on the rear platform ~~of~~ of the parlor car on the train going out to the Grand Canyon, the other at the Grand Canyon itself. Susan and I were on a getaway. Hope everything is going well with you. I'm looking forward to going to a future reunion. It would be fun to see the old gang again. Say hi to everyone for me and thank you for all the work you do in developing the TRITON 64 website.
